

Indian Centre for Plastics in the Environment (ICPE)

is hosting the

International Conference on Plastics & Sustainability

3 FEB 2023

at The Lalit,
Connaught Place, New Delhi

Supported by

PLASTINDIA FOUNDATION

ISO 9001-2015 certified

Mr. Sujoy Choudhury
Director - Planning & Business Development
Indian Oil Corporation Ltd.
Keynote Speaker

Mr. Prabh Das
MD & CEO
HPCL-Mittal Energy Ltd.
Keynote Speaker

Dr. Jakob Fischer
Senior Partner - McKinsey & Company
Global Energy & Material Practice - Tokyo
Keynote Speaker

Padma Shri Dr. Swaminathan Sivaram
Ex-Director
CSIR - National Chemical Laboratory - Pune
Session - Chairman

Prof. Ramani Narayan
Distinguished Professor,
Michigan State University, USA
Speaker

Mr. Jeevaraj Pillai
Joint President
Packaging & New Product Development, Uflex Ltd.
Speaker

Ms. Ursula Thakkar
Vice President
Low Carbon Development
TotalEnergies Petrochemicals & Refining - Belgium
Speaker

Mr. Joseph Pang
Head of Sustainability & Circular Economy
Performance Materials Asia Pacific
BASF South East Asia Pte. Ltd.
Speaker

Mr. Marcel Willberg
Sales Director
Lindner Washtech - Germany
Speaker

International Conference on Plastics & Sustainability

Background of the Conference

The theme of the conference is “**Plastics & Sustainability**”. Global warming has brought in the climate change threatening the very existence of the world. Urgent response to achieve the globally identified SDGs is required. Ensuring sustainability is now recognized as one of the most important considerations in all human activities. A global and insightful perspective on the theme in the inaugural session from international institutes and Keynote Address by National Regulators / Policy Makers will set the context for subsequent deliberations on this important topic. This conference will bring immense benefit to participants by interacting with experts of National and International repute.

Inaugural Session

Focus on Sustainability and Circular Economy. Keynote Speakers from Industry, Consultancy and Inaugural Address from Government Authorities

Technical Session – 1 (Material Technology and Recycling Technology)

Technology providers in upgrading & value addition to the waste material, Mechanical Recycling system including pre- recycling stages like collection, sorting, washing and processing will share their experiences. Experts in Chemical Recycling system will show how difficult to mechanically recycle plastics waste could be fed back to Steam Crackers to regenerate monomers and closing the loop in practical sense.

Technical Session – 2 (Alternative Material Technology)

Industry Experts, Academia, Additive Manufacturers will discuss on Biodegradable / Compostable Plastics as possible alternative materials

Technical Session – 3 (Policy & Regulatory Issues)

Plastics Waste Management and EPR Framework will be discussed by Brand Owners, Regulatory Bodies and Local Authorities

Delegate Fees

Categories	Amount (INR)	Amount (\$)
Industry	6,500	80
Academic	4,500	60
Student	2,500	35

Sponsorship Categories & Benefits

Categories	Amount (Rs.)	Free Delegates	Pre-Function Area Table Space	Full Page Ad in Conference Proceedings
Platinum	6,00,000	6	Yes	Yes
Gold	4,00,000	4	Yes	Yes
Silver	2,50,000	2	Yes	Yes
Lunch	1,50,000	1	Yes	Yes

* Taxes as applicable
